La Follette Is with Few Other "Noes" in Viva Voce Vote.

SIX BILLION TAXES

Measure Is Largest of Its Kind Ever Approved in U. S. Congress.

The conference report on the revenue bill was accepted by the Senate yesterday without a record vote. On the viva voce vote, three or four voices were heard to register "no." among them being Senator La Follette, of Wisconsin, who offered a substitute bill at the time the pres ent bill passed the Senate, and Sen-

ator Townsend, of Michigan. The bill will be held in Washington to be signed by the President

upon his return from Europe. Designed to raise more than \$6. 000,000,000 in revenue to meet the war expenses of the government this year and four billions of dollars next year, it is a record tax bill for this and all other countries.

Adopted by House.

Adopted by the House last Saturday, the conference report was called up in the Senate Tuesday and has been under discussion three days, during which many of its features yere criticized by Republicans, who also took advantage of the opportunity afforded to criticize the administration for the very heavy expenditures because of the tax burden thereby placed upon the

Under the old law, Representa-tive Kitchin, chairman of the Ways and Means Committee, estimated that war profiteers would escape the

7 and were continued until July 17. A bill designed to raise \$8,000,000,000 from taxation was reported to the House on September 5 and was passed Sep-

The bill was sent to conference, where very radical differences had to be adjusted because of the great changes in the House bill made by the Senate. Conferees began work early in January and met almost daily for a month. The report was finally completed and sent to the House, where it was adopted last Saturday.

List of Amendments.

List of Amendments.

Important amendments added by the Senate included a tax of 19 per cent on the products of child labor: the District of Columbia "bone dry" provision; a bonus of \$50 for discharged members of the military establishment and the elimination of the postal zone system with a reduction in the second-class mail rates, all of these were accorded by the All of these were accepted by the House except the elimination of the postal zone system, which the Senate conferees were compelled to allow to remain in the bill under insistence on Knight. ator Simmons declared "amounted al-most to coercion." the part of House conferees that Sen

TRAIN YOUTHS, **DECLARES KAHN**

"My opinion." said Mr. Kahn, "is that we can get along on a compara-tiely small army if we will adopt the principle of universal training. It is the most inexpensive system. Under a universal-training law, we could train our young men when they ar-rive at the age of 18 years for a period of six months, from April to October. We showed in this war that a train-Secretary of the Treasury Carter Glass went before the House Ways and Means Committee yesterday and explained his reasons for asking wide powers in connection with the forth-coming victory loan.

He was followed by Assistant Sectors of the German Emperor and lick them

coming victory loan.

He was followed by Assistant Secretary R. C. Leffingwell, in charge of fiscal bureaus, and Assistant Secretary Albert Rathbone, in charge of foreign loans. Both urged adoption of Mr. Glass' recommendations.

One of the most startling statements made by Mr. Glass in his testimony was that in the three months since the war has ended this country has we would have become a nation of

a month, and the end it not yet.

He declared it was not his intention.
In asking the right to issue \$10,000,000,-000 worth of liberty bonds and an equal amount of notes, to issue both in that training will make for a much better citizenship of the republic. It

"It will do more than anything sectionalism in a maximum at this time. This, according to members of the committee. United States, the men of the South do not begin to know the men of the North, and the men of the North do not begin to know the men of the South."

A FIGHT FOR LIFE

Just at the Critical Moment-He May Feel Dizzy-a "Stitch" in the Side or Back.

It has been fight or die for many of us in the past, and the lucky people are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's called Anuric (anti-uric). You should promptly heed these warnings, some of which are dizzy spells. backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous

betes or stone in the bladder. To overcome these disconditions take tressing plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water, and at each meal take Doctor Pierce's Anuric Tablets (dou-Get Thin ble strength). You will, in

forms of kidney disease such as Bright's disease, dia-

a short time, find that you are one of the firm indorsers of Anuric as are thousands of neighbors. Step into the drug store and ask for Anuric, or send to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package. Here you have a pleasant, effervescent lithia-water drink which
overcomes pric acid and is beneficial to your kidneys as well.—
